1) I need some more copies of 'food safe' certificates. 16 people from the church took the course and so far I only have 8 certificates.

Doesn't matter if you don't plan on working the IPE, I just need the certificates to go into public health records so that they know we have enough people to cover the shifts.

2) There will be an **IPE MEETING JULY 11/17 AT 7:00 PM** in the church lounge. Because of the move it might be worthwhile for anyone taking on a specific role (cooks, drinks, signage, desserts & concession) to be there if you can.

3) I took the laundry from the hall kitchen home Sunday and ended up having \$30.00 come out in the wash. I suspect it came from an apron pocket and maybe it was leftover from the garage sale. I've put it with the 'cookie money' for now but, if someone lost it, you know where it is.

That's it for this week. See you in church. Thank you.
